Since time immemorial the past has been a source of inspiration for artists working in every creative field. O/Modernt (translated as 'Un/Modern') celebrates this 'looking back', using imaginative programming to explore vital connections between the work of older composers and the artistic and intellectual creations of modern culture.

The O/Modernt season has various strands including performances by the O/Modernt [Chamber Orchestra](#), [Soloists](#) and New Generation, and [newly commissioned works](#). The season culminates in a weeklong festival at Ulriksdal Palace Theatre Confidencen, an enchanting rococo theatre on the outskirts of Stockholm.

I hope to see you at the season's concerts and especially at the summer festival.

**Hugo Ticciati**

Founder and Artistic Director, O/Modernt

*Hugo Ticciati is one of the most gifted young artistic directors that I have encountered. His interweaving of themes results in the most unexpected and joyful musical experience. It's sheer pleasure to sit through a concert put together by Hugo.*

—**John Gilhooly OBE, Director of Wigmore Hall**

*One of Sweden's coolest and most exciting festivals.*
